Client Treatment Authorization Form

The Doctors and Staff at Petstar Animal Care are committed to the overall care and well being of your precious pet. We require that all animals remaining in the clinic are annually administered the vaccines for Rabies, DHPPL4 or RCCP and Bordetella virus. Proof of current vaccination is required or vaccines will be given prior to any services being rendered. We will also examine your pet for external parasites (fleas/ticks) upon their arrival and if any are found, your pet will be treated at your expense.

Please take a moment to complete the following form upon dropping your pet off to our care, giving us permission to provide treatment in your absence.
